

Section 20-1, Noise, as amended by ordinance 2001-265 of the City of Denton Code of Ordinances prohibits any unreasonably loud, disturbing, or unnecessary noise. No sound is allowed to be of a greater intensity than 65 DBA when measured 50 feet from the source; or 50 DBA in a multi-family dwelling during the day, or be clearly audible within any unit that is not the source of the sound during the night. In addition, it is a violation of the ordinance to play musical instruments, or produce amplified sound that is clearly audible in another person's residence.
